

A unique job opportunity for an English-French-speaking television broadcast journalist

Journaliste Présentateur JT bilingue français-anglais/Associé H/F (basé(e) à Rennes, France)
TV News Journalist Presenter bilingual (English-French) & Business Partner (based in France)

Ref: F-3ec-TV-NJP

3ec-TV, which is being set up in France (Rennes, capital of the Brittany region), is an independent international generalist bilingual (English-French) channel with a humanistic vision and ecology oriented, collaborating with recognized organizations and supported by personalities around the world.

3ec-TV is an innovative media with a potentially large audience (launch in 2019 on 5 continents via internet, cable, satellite): <http://3ec-tv.com>

Native English-speaking journalists are also invited to apply for this job.

Position

Post with a permanent full-time contract, salary, a profit-sharing scheme and company shares offered.

This position requires autonomy, adaptability and confidentiality. You must be reliable, well organized and able to work on one's own in two languages: English and French (under the supervision of 3ec-TV News Editor in Chief). You adhere to the culture of the company.

There will be also an opportunity to collaborate with interns from various universities.

Part of the job description and requirements is in French in order to verify that the applicant has a good command of the French language, as we are looking for a bilingual journalist.

Missions principales

- Rédaction du journal télévisé (JT) en anglais et en français au quotidien sur l'actualité nationale et internationale concernant l'Europe, l'Afrique et le Moyen Orient
- Présentation de son JT pré- enregistré (pas de direct) en 2 langues simultanément (avec les sous-titres) sur les supports multimédia (audiovisuel/numérique)
- Réalisation de certaines interviews
- Responsable de la communication externe sur l'Europe, l'Afrique et le Moyen Orient

Profil/Compétences recherchés

- Grand intérêt pour le journalisme constructif et d'investigation
- Sensible aux enjeux écologiques et sociétaux
- Excellente maîtrise du français et l'anglais (oral et écrit: orthographe, grammaire, syntaxe, vocabulaire)
- Maîtrise des outils informatiques (logiciels bureautiques et Internet) et bonne connaissance des techniques de production et diffusion
- Expérience dans l'audiovisuel exigée
- Bonne connaissance des réseaux sociaux
- Parfaitement bilingue

Qualifications

Bachelor's degree in TV broadcast journalism and some demonstrable experience required.
You are a holder of a press card.
