'All about 3ec-TV'

Among the multitude of stars, one shines brighter with its values and qualities... How can the novel 3ec-TV contribute to a sustainable Planet? There is a link between local and global issues: it is the environment, a cross-disciplinary theme which has no borders. Discover also other clues!

This original experimental short animation film was made in an unprecedented international collaboration with students from 4 countries.

"Tout sur 3ec-TV"

Parmi la multitude d'étoiles, une brille remarquablement par ses valeurs et ses atouts. Comment la nouvelle chaîne 3ec-TV peut contribuer à préserver la Planète? Il existe un lien entre les enjeux locaux et globaux : l'environnement, un thème transversal qui n'a pas de frontière. Découvrez aussi d'autres indices !

Animations originales réalisées en collaboration internationale inédite avec des étudiants de 4 pays.
